

## European Alliance Against Coronavirus

### Morning Session

13th October 2021

#### Excerpts from the chat – Presentations of clusters interested in the EUROCLUSTERS call 2021

**Kristina A | LITEK (a Todos):** 8:50: LITEK – it is a Lithuanian-based cluster of companies and organizations that specializes in manufacturing and development of world-class LASER and ENGINEERING TECHNOLOGIES. A wide range of activities of cluster and its members allows the development of comprehensive Industry 4.0 related products and services through added-value collaboration, carrying out joint R&D and Innovations oriented projects, Industry 4.0 related services and products.

If you are looking for such partner – do not hesitate to contact: [www.litek.lt](http://www.litek.lt)

**Vassiliki - Innovation Greece (a Todos):** 8:52: Innovation Greece :  
[info@innovationgreece.com](mailto:info@innovationgreece.com)

**Carolina Garces , Mobile Heights (a Todos):** 8:54: Clusters of Sweden was established to highlight and channel interests, needs and opportunities of Swedish cluster organisations.

We are backed by clusters from diverse industries and geographical locations across entire Sweden, and work together to support cluster development, collaboration, policy and internationalisation. <https://clustersofsweden.com>  
[carolina.garces@mobileheights.org](mailto:carolina.garces@mobileheights.org)

**Susana Barasoain Functional Print C. (a Todos):** 8:55: Functional Print Cluster from Navarra & Spain

**Salomé Reillo - AVAESEN (a Todos):** 8:56: AVAESEN ([www.avaesen.es](http://www.avaesen.es)) is the Valencian Region Cleantech Cluster, a private non-profit association gathering more than 160 cleantech-related companies established in the Valencian region (renewable energies, circular economy, water cycle, waste treatment and smart cities) and representing the nexus between Government-Research and innovation – finance and market. The business members encompass 80% of the sector and include more than 6.000 jobs. With 14-year history, the Cluster represents and advocates the clean energy sector, offering a tailor-made service based on a joint plan with the mission of boost competitiveness, innovation and growth. [www.avaesen.es](http://www.avaesen.es), [sreillo@avaesen.es](mailto:sreillo@avaesen.es). We are interested in open strand, energy intensive industries and renewable energy

**Víctor Tirado - INNOVI (a Todos):** 9:04: Hi everyone, I'm Víctor Tirado, Project Manager at INNOVI the Catalan wine value chain cluster. We are founding partners of a COSME consortia to create the Wine Innovation Cluster Alliance, a European cluster network to make the European wine industry more competitive. We are focused on Tech transfer and collaborative innovation but also in training both in agriculture and industry. We are interested on the agri-food strand but open to collaborate in any consortia that requires end users (wineries, digitalisation SMEs, etc.). My email is [vtirado@innovi.cat](mailto:vtirado@innovi.cat)

**Roberto Moran ASINCAR (a Todos):** 9:07: Roberto Morán Ramallal ([robertomr@asincar.com](mailto:robertomr@asincar.com); Skype ID: Roberto Moran ASINCAR)  
EU Project Manager

**Anne Viitala / Viexpo Finland (a Todos):** 9:08: NordicHub (organized by Viexpo) works as a bridgebuilder between companies, clusters and networks within the Nordics. We are interested in participating in further discussions <https://nordichub.fi/>

**Elina, National Cluster Association MD (a Todos):** 9:10: National Cluster Association of Republic of Moldova was founded in November 2020. We aim to boost the development of clusters in our country and are currently comprising the Automotive cluster, the Sorintex Textile cluster, the Energy & Biomass cluster. We also expect to develop an IT cluster.

As representative of the clusters from the Republic of Moldova, an EU Neighborhood Country, we would like to participate in Euroclusters.

Please feel free to contact us at: [elinabenea@gmail.com](mailto:elinabenea@gmail.com)  
[goclustersmd@gmail.com](mailto:goclustersmd@gmail.com)

**Jordi Ortiz (a Todos):** 9:10: Forgot to mention, Secartys is based in Barcelona (Spain); you can contact me anytime at: [jortiz@secartys.org](mailto:jortiz@secartys.org)

**Jordi Ortiz (a Todos):** 9:11: We have members in all over Spain

**Clodagh, Irl (a Todos):** 9:12: The Cluster Centre, Ireland - we are happy to make connections with our clusters across Ireland and connect into your areas of interest.  
[info@clustercentre.ie](mailto:info@clustercentre.ie)

**Lídia-Catalan Fashion Cluster MODACC (a Todos):** 9:14: MODACC - Catalan Fashion Cluster.  
[lmorcillo@modacc.cat](mailto:lmorcillo@modacc.cat)

**Marielle Campanella (a Todos):** 9:16: Hello all, I am Marielle Campanella, head of European projects at Pôle SCS, French cluster ("pôle de compétitivité") based in the Region Sud Provence-Alpes-Côte d'Azur, specialised in digital technologies (Microelectronics, AI, IoT, digital security). 300 members. Digital applications in industry 4.0, e-health, smart city, transport & logistics, smart vehicle. Interested into the corresponding ecosystems + open strand. Strong experience in INNOSUP-01. To make connections, you can contact me on [marielle.campanella@pole-scs.org](mailto:marielle.campanella@pole-scs.org) Thank you !

**Mirela Puiu (a Todos):** 9:17: Good morning! Mirela from Romanian Textile Concept Cluster here, we are open to a possible cooperation! [office@romanian-textile.ro](mailto:office@romanian-textile.ro)

**Romain Turminel (a Todos):** 9:18: Systematic Paris-Region - you can contact me [romain.turminel@systematic-paris-region.org](mailto:romain.turminel@systematic-paris-region.org)

**MI4 (a Todos):** 9:19: Dear all, Jose Ramon Natal from MetaIndustry4, highly interested in collaborating in Renewables and High intensive industries. we have experiences and projects running in Innosup, Go International and Erasmus+. if your working in a consortium in these strands we can talk and look for collaboration opportunities. [jrnatal@metaindustry4.com](mailto:jrnatal@metaindustry4.com)

**Laura CAREL (a Todos):** 9:20: Hi I am Laura CAREL, head of innovation department at SAFE cluster, French cluster based in the Region Sud Provence-Alpes-Côte d'Azur specialized in defense, security, resilience, aerospace fields. We have experience in cascade funding project. We are looking for partners to apply the euroclusters mainly on aerospace/drone field. Please do not hesitate to contact me [laura.carel@safecoluster.com](mailto:laura.carel@safecoluster.com)

**Annabelle Sion (a Todos):** 9:21: Polymeris is the French competitiveness cluster on plastics, composite and rubber materials. We focus especially on green and digital innovation for our members. if you are interested in polymers, please do not hesitate to contact me at [annabelle.sion@polymeris.fr](mailto:annabelle.sion@polymeris.fr)

**Magda Micu\_ROHEALTH Cluster (a Todos):** 9:22: Hello! I am Magda Micu from ROHEALTH -The Health and Bioeconomy Cluster from Romania. We are open to possible collaboration. Contact: [rohealth@rohealth.ro](mailto:rohealth@rohealth.ro); Website: <https://rohealth.ro/en>

**Adrienne GENTIL (a Todos):** 9:22: Hello, I am Adrienne from VALORIAL, a french agrifood cluster, 370 members, currently partner in Interreg, COSME projects. Happy to join a project on this call [adrienne.gentil@pole-valorial.fr](mailto:adrienne.gentil@pole-valorial.fr)

**Venetian Cluster - Italy (a Todos):** 9:22: Venetian Cluster is the only productive cluster of cultural and environmental heritage in Italy (Venice area). Our main target is to realize national and international projects about innovation, technological transfer, internationalisation and training for the public and private supply chain of the sector of cultural and environmental heritage.

Please contact us at: [segreteria@venetiancluster.eu](mailto:segreteria@venetiancluster.eu)

We are especially interested in: Open strand, and specific strand like: Tourism, Construction, Agri-food, Creative & Cultural Industries and Digital. In particular we are preparing an open strand project on circular economy, and we are interested in joining another project.

**Natasha Sivevska Textile Cluster (a Todos):** 9:25: Macedonian TTA Textile Cluster, Natasha Sivevska executive director  
+38975304685  
[info@tta.org.mk](mailto:info@tta.org.mk)

[www.tta.org.mk](http://www.tta.org.mk)

Thank you for the opportunity to present us!

**Maritime Cluster of Canary Islands (a Todos):** 9:25: Maritime Cluster of the Canary Islands: main objective is to promote the development and international competitiveness of the Maritime Sector of the Canary Islands, in turn raising the business, economic and social fabric of the Canary Islands.

Our AREAS OF ACTIVITY are: Innovation; Internationalization; Communication and Dissemination, Training and Business Consulting

We are interested in open strand and renewable energies. But we are open to everyone.

Website: [www.clustermc.es](http://www.clustermc.es). You can contact me on [cmunoz@clustermc.es](mailto:cmunoz@clustermc.es) Thank you!

**Oriane Marchal (a Todos):** 9:26: Hello everyone, I'm representing France Water Team, the french cluster of the water sector gathering a network of about 500 members.

Water is impacting all industrial ecosystems. If you're interested in collaborating, do not hesitate to contact me at [oriane.marchal@france-water-team.com](mailto:oriane.marchal@france-water-team.com) . Have a great day!

**Janusz Poulakowski (a Todos):** 9:29: Dear all,

Metalworking Cluster from Poland, city of Białystok, 100 member companies, 9.000 jobs, operating in the mechanical engineering sector, 10 years of experience in the implementation of projects aimed at the development of SMEs from national and international aid projects.

We are interested in open strands: energy-intensive and agri-food industries, contact:

Janusz Poulakowski, [jp@metalklaster.pl](mailto:jp@metalklaster.pl)
